The Story:

This was a snap decision having just read a review of this lady. Everything about her sounded tempting, so I quickly arranged to meet. We started with a pleasant enough massage and soon progressed to DFK. Really soft, sexy and slow. Just how I like it. I then asked for oral without. I was soon rock hard with anticipation. Then suddenly, unexpectedly, Jojo slipped a condom on and eased me into her lovely pussy. I had avoided sex for a number of years, thinking I wouldn't be able to manage it. In fact, I had no problem at all and felt really great afterwards. Thank you, Jojo, for making me feel younger than I have for years. I'll certainly be going back for more soon.
