The Premises:

studio always clean here safe easy to find location just off A34 or A38 (the best maid in the business very attentive always a lovely welcome)

The Lady:

this girls got the best breasts i've seen in a long time i could have had a ski jump straight into her perfect pussy (but it was only snowing at the end of the punt)

The Story:

opted for the oral without (only £10) always better without a unsliced calamari over your dick and what a talant this girl was she could suck the seeds out a pomegranet at 10 paces didn't get chance to tell her what i wanted because she was giving me more i was fucking knackered and only half way through the punt excellent girl knows how to please i would definitely give this girl a xxx rating outstanding (WORTH THE MONEY)
