### The Premises:

Quite functional basement flat about 5 minutes from the tube station. However, they discourage you from arriving early, as limited waiting room. Lady's room is adequate for the purpose. It was clean with a good supply of clean towels. It is a residential street and I felt safe, despite a bus shelter close-by, but not many people waiting for a bus!

### The Lady:

Average height (5'6" is accurate). A pleasant girl, voluptuous, arrived with a smile. The curves are all perfect. Although the website says her age as 32, I will have judged her as 26 or 27!

### The Story:

I enjoyed my time with Victoria. She was eager to participate. All GF services were provided with a smile and full enthusiasm. I have seen a number of girls now, but there aren't many who give their everything and Victoria is one of the few who does. I thoroughly recommend her. Like many things in life, what you invest is what you reap; be nice to her she will reward you loads. HOD provides a vfm service, and I would have kicked myself had I missed this opportunity. Thank you Victoria. I wish you all success with your studies.
