The Story:

Made a appointment based on the positive feedback she had from another punter and the photos on her website

Phoned and made a appointment, got address by text and arrived on time
Met Katie and followed her into block of flats opposite small supermarket

Before we got into room,said she had to have the money up front, so paid her £100 this was to pay her boss who was outside the door?

Told me to wait, while she went outside , never came back, tired ringing her
But to no avail

A robbing thief beware !!!
