The Premises:

Clean, decent room as always.

The Lady:

Quite petite, very pretty, lovely mouth and eyes and a fantastic firm body. She has an amazing figure, slim and curvy, great bum and soft perky boobs. I can only think of one girl with a better body and that's the legendary Jade.

Pics are very accurate.

The Story:

Tina came in wearing some very small pink underwear and looked amazing, she's a very sexy girl. She was friendly but shy to begin with, but that doesn't reflect in her performance. Her English is good enough.

After some soft kissing standing up she started to become a lot more animated and we moved on to some owo against the wall which was superb. We moved onto the bed where she carried on with more deep and very sexy owo, she'd lost her underwear by this point and I was able to explore her body a little..

After lots of sensual kissing and necking she covered me up and sat astride me, the sex was great and she's very supple and a great little mover. I wanted to go down on her so she lat back while I got better acquainted with her lovely pussy. Tina seemed to enjoy it and after I began to fuck her again she carried on playing with herself while I sucked her toes. We carried on like this in various positions for some time until the inevitable.

Tina is fantastic, I definitely felt like we clicked despite her appearing shy at first. Why she doesn't have more reports is a mystery.
