### The Premises:

Unusual yet long established with entrance via lift. Corridor with lots of rooms off, one open and with lots of pairs of shoes. Disappointingly poor shower at one end of corridor. But I was given the VIP room at the other end - surrounded by mirrors as well as on ceiling and everything forgiven thanks to lovely receptionist.

### The Lady:

About 5 or 6 girls introduced themselves and gave handshake while offering one or two cheeks for a kiss - made a good impression. But was taken by the first in, Erica. Sultry southern Italian looks in mid 20s captured my attention and I just hoped she was good to be with.

### The Story:

Erica was good to be with as I was quickly able to establish a nice rapport with a girl of considerable personality.

Had a cuddle and the chat began while I clung to Erica's lovely bum, then on to oral and finally, after an impromptu reverse massage that was well received, prolonged sex from behind in doggy and flat.

A girl I am very pleased to have met and would like to see again and chat to more. I didn't go looking for extras whether paid for or not as I simply enjoyed her company and her intimacy. Very likely to go back more often thanks to experience of this girl and of the lovely receptionist although different ladies fulfil that role I understand.
