The Premises:

Very welcoming location, friendly maid, very relaxing friendly atmosphere.

Always has beautiful ladies available.

Rooms are very clean and tidy although it's difficult to notice such things when in the company of such stunning ladies :)

The Lady:

Absolute knockout!

Elle has the body of a Greek goddess combined with a beautiful face, mischievous eyes and soft kissable lips.

I'd happily walk on hot coals just for the chance to look upon her.

The Story:

Elle is a very passionate lady and the service she supplies is by far the best I've experienced in six years of punting.

Always a great experience, she is a red hot combination of beauty, intelligence and great fun to be with.

I heartily recommend a visit, but beware as she is seriously addictive!
