The Lady:

Jade is seriously a little bombshell. She is petite with the right amount of curves (ooohh the curves). The photos on the website do do justice to her.

The Story:

Upfront I must admit this was possibly one of the best punts I have ever had. I will tell you the reason shortly.

As soon as we were stripped to our birthday suits we got into one of the deepest FKs ever at HoD. She asks me to sit on the edge of the bed and goes down on me and wow that was amazing. She then asks me to get on the bed on my knees and continues the OWO, which continued to be amazing. I then asked could I go down on her and after about 10 minutes she started shivering and stopped me, took my hand to her bosom and showed me how her heart was thumping.

Moving on she went down on me and I wasn't done going down on her moved to 69, then cowgirl followed by doggy where I could not control myself anymore.

Now the part why this was the best punt, she said that I had magic mouth and she was so happy that she gave me a quick clean up a light massage and get down on me again. I wasn't sure I could come twice in 30 mins, but her technique with my shaft and my balls made me explode in the next 5 minutes. We went over the time limit, but I was completely dry at the end of the session. Had to gulp down the remaining OJ to actually walk.

It was epic and I will surely be back to Jade.
