The Lady:

Christine is beautiful. Quite tall, and very curvy - not at all fat or large, just beautifully voluptuous, with large breasts, a Beyonce booty, nice and firm, very long legs, and a lovely face. She's half-Italian, giving an exotic quality to a very lovely, soft and posh English voice. Slight touch of the porn star Nici Sterling, in her younger days, to her appearance, which is all to the good, no?

The Story:

She's great. Welcoming, warm, making you feel at home and relaxed from the moment you're lucky enough to meet her. I asked her to dress in black stockings, and she did, just like the naughty seccie photos on her site, in white top, black lingerie, suspenders. Awesome. Very tactile, and we were quickly on the bed with mutual pleasure-making and a couple of lovely short but intense fucks. Too bad I couldn't keep pace. But she's tender, sweet, intelligent and erotic, and quite unique. Well worth a visit, and up there with Chantel as London's finest IMHO. Cliched, but be respectful and decent to her, she's adorable.
