The Story:

My first punt. After paperwork I offered a drink. Scarlet followed me in the Kitchen and as I opened the fridge she leaned in in such a sexy pose that I knew this was going be a night to remembers and I wasn't disappointed. I asked to massage her just so I could enjoy her lovely body. We soon moved onto DFK and lots of DT OWO. She seems to really love this. I CIM and then after some RO and more DT OWO she slipped on the jacket with her mouth and after a few positions I shot my load whilst on top with her legs closed and mine on the outside. She said many can do this and stay inside. After she cleaned me up and we sat talking and cuddling to time was up. She mentioned she normally works out of London so that's why I'm assigning this post to her here. Class lady that I would highly recommend.
