Eliana - Pretty face, short dyed redish (looks good) hair, nice eyes. Good body, pictures do not do her justice.

The Story:

I asked for two girls to give me an interactive show (and this may be my fault maybe should of asked for (les-duo)but Maria refused to get intimate with Eliana. They did kiss each other but it was more of a peck than anything. Great eye contact from both ladies and the OWO was excellent from both more so Maria. There was good interchange between the two over DFK and OWO, all good there. After 3 mins it was time for Maria to exit although Eliana did ask why I don't keep them both. Truth is, a combination of not getting what I had originally booked (interactive) and wanting to spend some 121 time with Eliana. Eliana is a real nice and I think educated lady. I enjoyed my last 30 mins with her all of which came to a great climax at the end.
