The Premises:

Small clean apartment satisfactory for the purpose.

The Lady:

5'7" Blonde Polish girl , sexy curvy size 10-12 firm body, B sized breasts.

The Story:

Agreed on 15mins oral without protection & completion in her mouth.

Asked me to take a shower first - just finished work so happy to freshen up, however facilities poor just a shower head and tube fitted to bath taps with little pressure.

Returned to the bedroom and stood together slipping my hands over her thin dress up her thighs squeezing her arse and breasts .

Daisy knelt in front of me on the carpet and began sucking hungrily on my cock with her hand at the base, this carried on for 3-4 minutes , then removed her hand and held my cock in one hand and pushed her head down with the other controlling the pace and depth , bending my knees to achieve greater depth, daisy being extremely accommodating as I began fucking her mouth moving her head to one side giving me a better view of my cock sliding between her lips , finally ejaculating in her mouth holding her in position until my cock finished pulsating and twitching against her tongue , daisy continued licking up my cum until my cock was clean then removed herself and quietly spitting away the prize in a Kleenex.

Nice girl, very professional , not that chatty but a little difficult with my cock shoved her throat!

Recommended for a quicky, but maybe a more GFE service with a little more time and money spent.
