### The Premises:

Usual place, safe clean and well presented.

### The Lady:

Sensational looking girl, her hair is curly now. She reminded me of the look Ella had when she first started at HOD. She entered wearing what I can only describe as bin liner with strategic holes cut in it, but the effect was the sexiest sight I've seen in a long time, she really does have a body to die for.

### The Story:

She was friendly and relaxed and chatted throughout the session. We shagged in lots of positions before me finishing on her body.
