The Premises:

Top floor flat was clean and comfortable. Felt entirely safe the whole time.

The Lady:

Very petite frame, but don't let it fool you as she is strong! She is the girl in the pictures, attractive face, nice smile, naturally slim body. Very clean and pleasant smell.

The Story:

It was my first punt, so I was very nervous, but she did very well at putting me at ease. She led the conversation and was surprisingly open about herself.

My only gripe is that she did not offer the services that are listed on the website. No FK only lips, and no OWO, she sucked with condom on which was disappointing. She did however give a good GFE. Sex was great, we did it twice in various positions. I would say her best is her on top.
