The Story:

First visit to Erotic Studio and was slightly nervous when Seema told me she was the only girl working as I had read the previous review, however I have to report a fantastic punt.

Seema is very erotic, once we were undressed we started by kissing, fondling etc whilst stood up (something I like) then move on to the bed.

Lots of kissing, mutual playing with each other, I also sucked her toes (something I like doing occasionally) on with the rubber and she climbed on top (I do love long black hair flowing freely whilst girl is on top.)

Seema seemed to be enjoying herself. Unfortunately I came too quickly but I will be back.
