The Story:

2nd time I have visited alexis - first time wasnt great but stupidly thought 2nd time things would be different.

She has a very negative/condescending attitude and this shows through in the service.

Says GFE but no french kissing - says A level but not on offer. Compared to agency stars like Meg and Susie Alexis doesnt really measure up especially for the 250 price.

Looks like she has some positive reviews too so it might just be me "twice" but id suggest you tread carefully
