The Story:

Her face is blurred on her profile on a certain website. But she is very pretty. She does not do OWO (despite stating that she might on her profile) which was disappointing. But she was very friendly and when I asked what she was prepared to do, she stated with refreshing honesty, "I don't do a lot really!". Such honesty was the mark of her; she was very friendly and it was an enjoyable hour. Didn't time watch and really seemed to be keen to please me. The no OWO would put me off seeing her again. Also, I am not well-endowed, but she struggled to take my penis into her vagina. But if you enjoy orally pleasuring a woman, you'll enjoy pleasuring her, and that I was tempted to revisit despite no OWO, does say a lot.
