The Premises:

It was a darkly, dusty and rather smallish apartment. The bed was covered with plasticky material that smelled funny. No place to leave my clothes, so I ended-up putting them on the floor.

The Lady:

Fairly nice looking, but significantly different from the pictures. For example, her breasts have completely different shape compared to pictures. Less than perfect hygiene, especially around private parts.

Aliases:

- Christine (<http://www.angelsoflondon.com/christine.htm>)

- Ann, Sharon (http://www.babesoflondon.com/Busty_Escort_Sharon.htm)

The Story:

Very unappealing personality. All attempts to chat summarily rejected. Not a single smile or eye contact. Utterly mechanical and uninspiring "service". She essentially treated me like a slab of meat with a wallet, just lying there and even hurrying me to cum (well before my time was up)...

This girl really dislikes her profession. Avoid if you can.
