The Premises:

Nice, modern, clean apartment. What I would call a decent nice area. I felt perfectly safe being there and was quite happy happy about parking my car there. Nice off the road premises.

The Lady:

What it said on the tin and as photos, fairly tall willowy blonde. Gorgeous pert breasts and bum, lovely legs.

The Story:

She greeted me at the door with a long deep passionate kiss, dressed as requested in skimpy underwear, stockings and high boots. after an initial chat, play and kissing session we soon took her and her already moist pussy through to the bedroom. This woman is horny, I had the pleasure of every hole and she loved me using all of them, the first time I came was a large load in her mouth and on her face face, she seemed to love me rubbing it into her skin. After a rest I was up for it again and after some play was fucking her deeply in missionary with her lovely long legs wrapped around me. I love that when a woman has stockings and high boots on. More rest and chat before a last play at everything before she rode me to yet another draining orgasm, I just wish I had the energy I had when I was younger, a truly good time, she likes a man to tell her what to do. Loves to be pinned down when being fucked, I'll be back Dee.
