The Premises:

A private mews house just across the road from the shopping centre. Ample parking and no one knows that you are not going shopping! House was clean and the room well presented

The Lady:

Adelle has the most beautiful smile to melt your heart (not really captured in her photos) I normally go for the skinny girls as curvy usually means something else! However Adelle is no stick insect but has a fantastic body with curves in all the right places

The Story:

Adelle entered the room in sexy black underwear and soon got me stripped naked with lots of FK, after some sublime OWO it was my turn and was told what to do (in the nicest way!) and it had the desired effect! Followed by the offer of the most intimate sin not to be refused. She was a lovely girl, felt very relaxed - a great time, would definitely recommend
