The Story:

I've been meaning to see Abbie for quite a while and was delighted when our diaries finally coincided. I hadn't seen her for some years, but she looked as gorgeous as ever, same cheeky smile and a killer body sheathed in jaw dropping lingerie..instant arousal!

She greeted me very warmly, and after a quick catch up chat, I had a shower and Abbie poured me some wine and was soon DFK'ing me deeply with that same passion that I had fond memories of. I was quite literally, blown away when the bbbj started. Abbie has skills! She gets aroused easily and on returning the favour I soon got her pussy soaking wet and ready for a sublime fuck with her long legs draped over my shoulders, an absolutely awesome sight! With Abbie encouraging me on with lots of filthy talk I then turned her over and entered her in doggy, watching that lovely ass as I pounded her pussy. I slid my thumb into her ass and was then pretty much ordered by Abbie to "fuck my ass now!"..being a gentleman, I complied. Glorious, and that was me done.

More wine, more putting the world to rights and then Abbie's magic mouth and tongue got me ready for round 2, one highlight being fantastic anal in reverse cowgirl and after some truly hot and sweaty (in the best possible way!) fucking in a series of positions I finished in Abbie's mouth and realised that my shaky knees meant I was out for the count!

All in all, a fantastic time with a super lady that knows exactly how to please and is a pleasure to spend time with. A great blend of GFE/PSE and nothing reasonable off limits, I look forward to seeing Abbie again for a duo or even perhaps a trio!
