The Story:

Started off with an oily back rub while we sorted out the extras and the do's and dont's.
Then on to some nice OWO before getting my head between her thighs to lick her tasty pussy which she seemed to like (at least she made all the right noises :-)...)
Then on with the rubber and started with me on top with her legs over my shoulders before switching to doggy style before finishing off with me back on top with her legs wrapped around me...mmmm lovely.
Sienna is a very friendly, chatty lady who will put the shy or nervous punter at ease .
Highly recommended
