The Premises:

A pleasant flat (which she shares with other girls) in an apartment building, nicely tucked away behind trees and wall, on one of the main roads near to Paddington and Lancaster Gate stations.

All very safe, anonymous and discreet.

Only problem was the lights in the bathroom weren't working, operating the shower by candlelight was very much a hot and cold experience...ouch

The Lady:

Ivanka is tall and slim with perfect curves, very much like her photos, though so much better in real life. On seeing her I immediately felt welcomed, she is charming, witty and intelligent, I knew I would enjoy her company and decided to lengthen my appointment from one hour to 90 minutes. She just looked so perfect...

The Story:

Walked into the bedroom and began to kiss, oh yes a good start.

I then took a shower, as mentioned the lights in the bathroom weren't working so it was illuminated by candles, I was tempted to ask Ivanka if she wished to join me, subtle flickering candlelight, a shower and a gorgeous woman....dreams are made of such.

Anyway, back to her bedroom, more passionate kissing and embraces.

Seeing her naked, oh yes I was glad I made it a 90 minute appointment.

I am too much of a gentleman to give away too many details of what we enjoyed together, other than to say that Ivanka made sure she had as much pleasure as I did, maybe even more. I found it captivating watching her as she 'entertained' herself, such a turn on.

Various positions, sensual OWO and mutual enjoyment.

Two 'pops', left me totally exhausted and thoroughly satisfied.

Yes sex was near perfect but it was Ivanka's sweet personality that made it such a wonderful experience, very much a GFE, but so much more. She is a genuinely lovely woman, I am sure I shall visit her again sometime soon. I wonder if the bathroom light will be working ;)
