The Premises:

Very comfortable parlour on the main road through Cadishead just off the M6 J21. As parlours go this one is pretty good, all facilities are very good. Was offered a drink on arrival and shown round the room by the very attractive receptionist, Amanda ... lovely! Parking is available but I'd suggest finding a car park (just past the bridge to the right of the entrance and walking back feels safer to me).

The Lady:

Alena is a very attractive German girl, my guess would be around 25 maybe a bit younger. Gorgeous girl, blonde hair, slim, delicate features, lovely slim figure, terrific (real) pair of tits, lovely arse and sexy legs. She was wearing a pink bra that showed off her delicious cleavage and pink flimsy panties ... mmmmm! Heels accentuated how nice her legs are!

The Story:

This punt reminded me of why I gave up on the parlour scene some time ago. Don't get wrong at the outset, Alena is a fabulous girl and if she was an independent, near me I'd be a regular. We went through the usual parlour routine, Jacuzzi running while I get a shower, Alena comes in while I'm drying myself, removes her bra and panties and shoes ... part of my fun is gone already. I did have a great time with Alena and she didn't really do anything wrong, it's just that there was no spontaneity. Clearly the girls at The Gallery go through a set routine. Anyway, I had a whole load of fun with Alena including playing with her fabulous tits, feeling her naughty little arse and stroking her pussy. She lay on the bed and I got between her legs and started licking and sucking her pussy ... mmmmmm, she tasted good and was responsive. Room had loads of mirrors and I loved seeing the action from a load of different angles. Next it was my turn and was offered oral without for an extra £20 ... I declined and she put a condom on me and started sucking ... Alena's technique was fantastic and I was tempted to reach for my wallet but I held back. Next she was in the doggy position and I got my cock inside her ... mmmmm, then she did the most deliciously erotic thing, she undid her poney tail and that blonde hair just cascaded down her back, again the view in the mirror and her licking her lips while I went at it fabulous! I was ball-deep and she reached under and started to stroke my balls ... not long now, thought I, and I was right.

Afterwards we jumped in the Jacuzzi ... Alena was interesting to chat to. After the Jacuzzi she offered me a massage ... that was lovely and the mirrors on the wall gave me the most magnificent views of this sexy young naked woman ... I was close to going for round two but the time was up ... a typical parlour technique (in my humble opinion). Showered, dressed and on my way.

All in all, I cannot fault Alena she was great to be with, I just wish she was independent and able to offer the variety that a £120 punt makes possible. The parlour itself was very good but again I was reminded of why I always leave parlours feeling a bit let down in a way that I rarely do with carefully researched independent escorts. If round two had been encouraged then maybe my opinion would have been different, who knows, eh?

If you like the parlour scene then The Gallery is great and I would heartily recommend Alena as your girl of choice but it's unlikely that I'll give the parlour scene another go. I'd definitely see Alena again but not within the parlour scene.
