The Premises:

Nice modern apartment, safe and door not visible from street. Would be a nice place to live.

The Lady:

Dressed in expensive lingerie, corset, suspenders, heels etc.

She is really pretty and curvy, natural all over, but especially in the bust.

I would really fancy her if I met her in real life.

The Story:

Went for the everything option OWO, CIM, Kissing etc, but no A.

Keeley is really easy going and has a lovely smile. Undressed me really sexily and felt really natural and horny.

I'm experienced enough at punting to know that oral skills will always be good, but Keeley was a sword swallower with a fantastic touch -- I was on the edge a lot. Lots of eye contact and great hands.

A little bit of cowgirl, doggy over 'the desk' and on the bed and finished with an amazing hand job over her fantastic boobs. She breathed on my cock with her mouth open and encouraged me with her lips as I wanked really hard and gave me a great smile when I splashed all over her chest.

Top girl.
