### The Story:

Was met with a smile by a scantily dressed Crystalina, with a minimalist outfit that I could barely wait to get off her. After a few minutes of cuddling and kissing, she began to grope me down below, and I returned the favour, and felt her getting wetter and wetter. She slid down my chest, kissing my nipples as she went, before the most amazing oral I have ever had. I didn't last long before exploding in her! She disappeared for a couple of minutes and came back, more caresses and kisses, a little more oral to get me quickly back in the mood! She clearly wanted to come and no sooner was I hard than on went the johnny, and a few positions later, I came again. We chatted for the few remaining minutes, settled up and went on my way. Grab her while you can, she's one in a million, and I haven't seen more enthusiasm than this for a long time! I'm in love!
