The Premises:

Clean, discrete (despite main entrance being on a relatively busy street), safe, professional and private.

The Lady:

Long dark hair, tall, curvy, perfectly sized breasts, soft skin, kissable lips, v. sexy accent and eyes you could melt in. Came across as confident, professional and intuitive with a small amount of cheekiness.

The Story:

For a first punt Monica was an excellent encounter. I was quite nervous so she took the lead and made this a very memorable experience. I enjoyed OFS and 69 OW (was offered OWO) which finished me off. A second time was attempted with a very energetic cowgirl (perhaps a bit too energetic for me which, I think, she picked up on) and mish but it was not to be.

I probably couldn't have asked for a better girl for a first time and I have definitely been encouraged to continue.
