The Premises:

Easy to find at the end of a busy restaurant street. Safe area.

Her place was tidy and clean with a large bed. No bathtub but a nice shower.

The Lady:

Carmen is an very pretty young girl, early 20s. Amazing pretty mischievous eyes and a very hot body. Very good boob job and sensitive nipples. Most memorable part was her smearing baby oil down her generous boobs and squeeze my junk between her breasts.

The Story:

Carmen gave me a life long memorable experience. She greeted me in a tight dress and made me feel very welcome. Assisted shower gave me the opportunity to explore her young supple body and we fell into bed kissing and stroking each other.

Maybe it was personal chemistry or else Carmen is extremely service oriented. We literally fucked our brains out. Her delighted cries when she came while I was pumping her ass was priceless. She would not let me off that easily cause whenever I tried to take a rest, she would mount me and ride me mercilessly.

It took tremendous willpower to leave her arms and get showered. Walked out there on shaky legs and a big smile.
