The Premises:

Discrete city centre location. Parking not a problem. Clean, tidy and fit for purpose. One of 6 locations for this excellent agency. Never had cause for concern at any I have used.

The Lady:

A stunningly beautiful, leggy, toned and tanned blonde. Well described on the site and represented by her pictures, better in the flesh. Delightful accent to her excellent English. A Russian girl. Her first day with the agency.

The Story:

It is always exciting to try the new girls. Fresh, enthusiastic and, well, just new. Michelle was excellent in all aspects (even the cup of tea she made me). After showering, she gave me an adequate massage which soon lead on to open mouthed kissing, down to me sucking lovely responsive nipples and further 'south' to her shaved and so, so tasty fanny, heaven. Much tongue action culminating in her 'coming' with intensity. Her OWO on me was bliss. After a couple of minutes of her mouth working around my tackle I could have blown my lot but wanted to get inside so the mack went on and missionary commenced, then cowgirl, doggie, back to mish. With time near up she took the mack off, applied some oil and deft hand-action had me erupting. The new girl will be a great suck-cess - 11 out of 10. Thank you Michelle.
