### The Story:

Had visited Cindy many times previously and arranged to meet using system suggested by Cindy. She arrived wearing pastel shade shorts showing plenty of thigh and acres of tit. We undressed together and I could not resist her so we had a standing French kiss and cuddle whilst I played with her hard nipples and juicy pussy. Cindy lay me face down on the bed and massaged me from neck to ankle. She then turned me over and massaged my cock to ensure it was rock hard. At my request Cindy fingered herself to a writhing wet climax. After oral to restore rock hardness Cindy slipped the durex on and I plunged into her deep juicy pussy with her legs wrapped around me aiding every thrust I made into her until I exploded in joy. We stayed coupled until we regained our breath and removed the durex and wiped the panky up and we chatted as we dressed together and I left after Cindy ensured I could leave discretely. I will continue to visit Cindy regularly.
