The Story:

Nicola offers only tantric massage, not full service. This was wonderful! Greeted with a nice lip kiss once the door was closed, I followed her very sexy bum up the stairs where I used her shower. Once in the room we were both immediately naked and I laid face down on her massage table. Soft music and hot oils were used to good effect, gently leading to increasing attention to my bum and balls. Nicola then climbed up and gave a wonderful body to body massage, I could feel her nice bits moving along my back and bum.

Once she had dismounted she asked me to turn over. The massage continued with varying intensity to keep me on the edge. Good eye contact all the time and I was allowed to stroke her firm thighs and bum. Eventually when the time was right she allow me to finish. Afterwards she wiped me down and led me back to the shower.

Whilst dressing we chatted comfortably, I can only say Nicola is as beautiful on the inside as outside.
