The Premises:

Ruth entertained me in her home which is an elegantly furnished cottage in Kendal town centre. Initial contact was by website and final arrangements were made by phone on the day as requested by Ruth. Directions were given to me and contact was achieved on time.

The Lady:

Mid to late 30s, quite small, beautiful with small tits and slim with gorgeous strawberry blonde hair.

The Story:

Ruth was wearing a basque and high heels when she greeted me at the door. We immediately started French kissing in the hallway before we went to the lounge for a chat and handover of paperwork. We then went upstairs to a bedroom with a big 4 poster bed. Ruth and I stripped before lying on the bed where I received oral whilst playing with her lovely nipples. We then did 69 before Ruth fitted a condom and rode me cowgirl style. Ruth then played with my cock and I played with her nipples and pussy until my time was up. I was unable to fuck her again, she had completely satisfied me. Ruth has a small tuft of golden pubic hair which is far enough away from her pussy so no hair gets in your mouth. Lovely intelligent girl.
