The Story:

Have been in occasional contact with Mae for quite a long time, but this is the first time I had managed to get to see her. And I am very glad I persisted, (fault being my work comittments). Couldn't fault Mae as all. Very friendly and welcoming. Beautiful body. Amazing nipples. Half hour a bit rushed but that was all I had available. Rest assured, I enjoyed every moment of my time with Mae. And rest assured, I will be back to see her again.....and again. Can't think of a more preasurable way to spend half hour, (an hour next time for sure). Thanks Mae
