The Premises:

The pleasant flat in Holborn is on the ground floor, easy to access & in a reasonably quiet & very safe location.

The Lady:

Zara is an elegant mature lady with a toned body, long legs & short blonde hair. Initially dressed in a dark blouse & skirt for her role in our play, when unveiled later she became a vision in black underwear & stockings. Photographs on the website accurately portray the real thing!

The Story:

We had agreed the role play by text in advance & brilliantly she started to act her part as a customs officer as soon as I arrived. Suspected of smuggling drugs, I was in turn interrogated, strip searched & having by then been tied to the bed, cavity searched as well.

The whole scene was one of cool sexy menace as I was threatened, teased and eventually cruelly punished by her with a strap-on before the ultimate relief.

An awesome classy erotic fun experience in the hands of an expert.
