The Premises:

Dump in Wythenshawe. She asked was my car ok outside? I replied well I could not bring it in with me! She knows it is a rough area. Bedroom was like a stockroom for a charity shop. No shower, just offered baby wipes so standards are low.

The Lady:

Slim. Small b tits pussy tight and stubly not smooth.

The Story:

Her site says she French kisses and she doesn't, it says c'm and she won't, says toys and she has none. To be fair I had an unexpected opportunity to punt. I was unplanned and she was option 8 on my back up list. 1 - 7 were known to me and unavailable. It felt like money grabbing on the phone and it certainly was when I got there. I let my lower brain rule my upper brain so my fault.

I just about managed to fire one out on her tits and leave.

If the words, no, can't, won't and sorry turn you on she is a great punt.
