### The Premises:

Very clean semi in a quiet street, parking on doorstep so no issue

### The Lady:

Short 5ft blonde, amazing tits, nice arse and clean which is a priority for me. Very friendly and chatty.

### The Story:

Paperwork done and onto the bed for some french kissing and groping etc, stripped off and she soon had my throbbing cock in her mouth sucking with real enthusiasm, she does not like cim so i got to the brink then told her i was about to cum. On with the rubber and some very pleasurable deep penetration with this lively little lass.
