The Premises:

A quite large house. Area is ok, quiet residential road near Hounslow East tube station. But when an older chinese man opened the door, I began to feel I had made a mistake. He didnt look especially threatening, but it gave a bad vibe. Room and bed were good enough.

The Lady:

Tall Chinese lady, maybe mid to late 20s. Nice slim body with small breasts.

The Story:

This was not a good experience. I was shown into a room upstairs and the first thing I noticed ws that she was not busty as advertised. After paying she went out and handed the money over, then came back and got undressed. After a reasonable massage and exchanging some pleasantries she asked if I wanted hand relief. I asked for oral which she gave a bit of before trying to wrap things up. But there was no energy, no connection, no attempt to attract me to come back. The worst thing was another punter appeared
