Sobia is very slim natural boobs a soft spoken with a low voice,a shy looking girl.

### The Story:

I could not believe that this was the escort I booked when I opened my hotel room door I thought the girl has a wrong room. The money matter out of way she sat on my lap and I kissed her and my hand found her boobs which were very nice and kissable I undressed her and we moved to the bed and enjoyed ourself. Sobia is very nice and let you enjoy her. Thanks you Sobia.
