The Premises:

Decent place, can't complain about her residence, have seen better and worse.

The Lady:

Slim, not unattractive. Nothing special, have visited many Thai girls over the years. Note: she is advertised as Japanese. I don't understand why agencies advertise Thai girls as being from other nationalities.

The Story:

I never leave reviews because I want my punting life secret. But this has happened quite a few times to me recently across Thai agencies. I had wanted to book Lara, i can understand if she was off, but the agency recommended Rene.

Rene seemed very tierd and robotic. Wanted the session to be over and done with ASAP. I did stay for the full hour because I had paid for an hour's service.

Blow job covered and sex in only one position followed by a very weak massage. I'm sure this girl can provide a better service but it seems to me she was given the job as she is an exclusive girl. The agencies don't listen to us punters and not seem to care about over working girls.

I won't use this agency again.
