The Story:

I booked Abi for a dinner date. I met her at the restaurant and was blown away when she walked in wearing a summery dress which was perfect. Conversation flowed so by the time we returned from the restaurant it felt like the most natural thing to retire to the bedroom. I was in heaven. Abi loves her arse being played with and feeling my cock inside it is a memory I will never forget, it's getting me going again just thinking about it.

In my opinion Abi is the perfect date and I will be seeing her again in a few weeks.
