The Premises:

Well reported parlor in side street near to Loughborough station.

Inside is clean and tidy, but room was very small with only a single bed, which made things difficult, but not impossible.

The Lady:

Tall busty blonde, with a full figure. Fabulous personality.

The Story:

Veronica was the only lady available when I called in, fortunately having consulted the website she was one of the lady's I was interested in.

The session was the normal routine of massage, oral both ways and sex, with a very horny lady who said she had not got any for over a week having been on holiday the previous week. Very enjoyable.
