The Premises:

Near West Kensington tube station. Basement flat, clean with an almost bohemian look to it. Shared with a number of independent working ladies. Clean toilet and bathing facilities.

The Lady:

Brunette Hungarian, around 5'7 with slender build. Early twenties, pretty and accurate from her profile.

The Story:

Friendly lady, admitted to me that her English wasn't too good and it wasn't, but better than some ladies I've seen! Very nice OWO, she then popped the condom on and we had sex in a number of positions. Massage not particularly great, but gave another nice OWO and then finished in a missionary position. Maybe not the warmest encounter I've ever had, but certainly not cold in any way. Pretty certain that she would be warmer with her clients when she gets to know them better.
