The Story:

This was my first time with a Submissive girl. There was a mix up about our time so I had to wait for sometime to see her. She asked me what would I like to do we chatted a while and got the paper work out of our way, she said as I was kept waiting so the canning is free. Anyway she took the spanking and canning very well crying sometime. The time with her was well spent. Thank you Summer for the good time. Take care.
