The Story:

As I walked through town I saw a girl who took my fancy and I saw her enter Bay Babes so I rang for an appointment. Lucia took me to upstairs waiting area and left me there for a few minutes as she returned to downstairs reception area. When she returned we went into the room which was very nice and clean with a big bed. I undressed and lay face down on the bed. Lucia gave me a good massage before I turned over for further massage and cock fondling. Lucia would not let me touch or suck her nipples, only allowing me to cup her tits in my hands which was a disappointment. Lucia then gave me oral until I asked her to stop so I did not cum too soon. She then put a condom on my cock and rode me cowgirl style until I came. I would not visit Lucia again because of not being able to touch or suck her nipples.
