The Story:

Friendly receptionist Marie took me upstairs to comfortable clean room with big bed. Ayesha entered as I was undressing and began chatting. She is a lovely girl. She was wearing bra and thong and removed her bra when I lay on the bed. I lay face down and she gave me a good massage including rubbing tits up and down my back. I turned over for more massage and breast relief with those beautiful tits. She told me her nipples were very sensitive and liked to be licked and sucked so I did both. She removed her thong and I went down on her to her cute juicy pussy. She then put a condom on my cock and I entered her in the missionary position and had an unforgettable fuck. After wiping up she gave me oral and finished me with breast relief until my cum was all over her tits. We continued to chat as I dressed. She is a truly lovely girl.
