The Premises:

A fourth floor flat in a large block , the entryphone buzzer not working so you will have to call to get help from the agency.

A two room flat , shared with another wg . Bathroom not too clean , no mixer on bath taps so you have to spend time getting the water at the temperature . I would advise giving the shower a miss .

The Lady:

A beautiful thai girl with a natural body , a real looker , a dancer visiting London to do some escort work . New to escorting and it shows in her " service " . Unmarked skin , real proud of her body , could maybe make it as a model one day . A silver piercing through her clitoris .

She was dressed in a black bra and pants with a red see through full length gown over , no shoes or stockings . Captivating . Mesmerizing .

The Story:

One

====

It was Friday the 13th so things weren't supposed to go right . The cat had been sick on the stairs , and the vacuum cleaner was blocked . I had to get out of the house quick as these things happen in three's , so they say . If you're superstitious . Which I'm not . Remembering what day it was I walked straight past the numerous betting shops on Queensway and into the lift up to see Anna .

Two

=====

" hello , I'm here to see your labdance , you're famous for the labdance ? "

" you want I labdance for you ? "

" yeah baby , lay it on me , go , never had one before "

" you like darling ? "

" I'm lovin it baby , what time does it start ? "

" this it darling , I doing for you , this labdance "

" Oh , lapdance , you mean lapdance , not labdance , so no chance of doing the time warp together
? I was thinking labdance , as in Rocky Horror Show . ok , ok , I'll take off my stockings and
suspenders then "

Damn it Janet .

Three

=====

I left in a daze . I arrived home to find a bunch of unopened bills shoved through my letterbox , the
cat sick hardening by now on the third stair carpet , the cat looking up at me wondering why I was
late for his 3 pm feed . And it was raining . Of course I had forgotten to take an umbrella out with me

.

Damn it Janet .
