The Story:

Out of the deepest respect for Laura I'm not going to into the finer details but suffice to say she met all my expectations and to my surprise and delight met some I didn't know I had.

My challenge now is because I am not normally free on a weekend, and Laura only works weekends, how am I going to see her again. Well that's one going to have to be worked out because seeing her again is a must, even if its only for coffee ;)
