The Premises:

Guided to an apartment that was not too difficult to find. very helpful receptionist who found me a better room (as it became available) to see my lovely lady. Nice room, double bed, chair etc. Music in background. Even had an orange juice too, thanks. Not sure about Milton Keynes girls as the collection has changed recently. Of the various agencies, Tina was the most striking.

The Lady:

Tina is about 23 years, size 6-8 with puffy nipples that are part of a wonderful 34C collection. She is very pretty, with long, soft, black hair, hour glass figure, smooth and very pleasing. Her English is a little hesitant, though I loved her Romanian accent. She is indeed striking and like her pics.

The Story:

Shy at first, latter lots of cuddles and kisses, not DFK, still most satisfying. Her oral without technique is very good and I had to hand in there. What an experience, sex in many positions and I loved her lowering onto me via reverse cowgirl too. Eventually I came. Had more cuddles and kisses till time up. Dressed me very nicely too. Love to meet her again.
