The Premises:

The Private Club is not luxurious but it is always clean. It is based in an industrial area with a decent cafe just along the road. There is a big sign above the door so everyone in the area knows what is going on but it does not seem to worry them.

The Lady:

4 girls present. I suppose I have to describe Jade as a veteran being 40+ but still great looking. Tyla Moore is large breasted with a pretty face, Jennifer is a tall blonde who is much better looking than her photographs portray. Elise is young, long dark hair, great legs and a sweet bum (her first time at the club). Jade is the only one who has enhanced breasts and is the smallest of the 4. Jennifer is tall and slightly larger than the others but none of them would be called over weight by a man (I always find women more critical of weight than men)

The Story:

I had not been to The Private Club for a few weeks but I have recently met a working girl who has made me question my attitude to sex. I have found myself wanting to just see her so when I could not get an appointment with her (I should not have written that gushing report) I tested myself in the most sexually stimulating gang bang environment I know in the U.K.

Jennifer, Tyla and Elise walked into the packed room in underwear, stockings and shoes. They lay back on the large padded platform and Tyla said * come on boys*. So we did ! There were more punters there than normal so I got myself in the first line and found myself opposite Elise. She flipped over on to her knees to give OWO to the man opposite me. He was a grey haired white guy with a huge cock and she had been struggling with his size in a prone position. I went on my knees and feasted on her bottom and pussy.

Either side of me Tyla and Jennifer were dealing with 4 or 5 men each but being in the middle there was only room for the 2 of us with Elise. The other guy pulled away from Elise as he came or decided to save himself for the later bukake. She turned back to me and I asked her if she was ready for a fuck. This was her first time at the club and I wanted to make sure she was happy with what was happening. Oh yes she certainly was. I entered her with no need for lube and she clung to me so tightly I had to work hard on the control of my orgasm. She did not want to kiss but buried her face in my neck and fucked me as hard as I fucked her. I lasted about 5 minutes then the sound of Jennifer gushing beside me and Tyla's first orgasm blasted away my control and I came. Very

naughty as we were meant to be saving the sperm for the bukkake !

I retreated, showered. bought another condom found Tyla and waited for my chance with her. She is wonderful in terms of character as well as beauty and sexual technique. Lovely breasts and a great kisser. I lasted much longer this time and managed a dry orgasm.

I then repeated the process with Jennifer after watching Elise take at least 20 loads on her face in the bukkake session. Jennifer had been gushing frequently in the first couple of hours but when I entered her doggy fashion she was still wonderfully tight. I withdrew before coming as I needed to see Jade.

I first saw Jade nearly 10 years ago and have frequently come across her since. She still gives great OWO with a wonderful soft mouth and loves to fuck on her back with her legs curled up your side so you can get really deep. I kept going for a long time before withdrawing so I could add to the many loads that were falling on Jennifer's smiling face in her bukkake session.

A really good dirty sex session but it did not help my obsession with the working girl I adore as the next day I booked a session with her on each of the 3 days she was working. It may be cheaper to marry her ! She does not read reports so it is safe to write this.
