The Premises:

Nice venue in a mansion flat in a respectable residential area close to the tube station. Perfect punting environment, although I think she is a bit paranoid about her neighbours.

The Lady:

Her main profile pictures (Erotic Samantha) are completely accurate. She's an incredibly attractive young, very slim Polish blonde with just one discreet tattoo. Near-perfect!

The Story:

This was my first (and maybe last!) independent WG, and and I feel prospective punters need to be given a bit of a warning about this girl. I didn't Google her phone number until this morning (15th) and I now see that two out of her three previous reports made the same observation - she is exceedingly difficult to interact with (a female Kimi Raikkonen!) and, in my case, downright hostile. She refused point-blank to kiss as she "didn't like me", wouldn't turn the radio down, and I came very close to simply walking out. However I persevered as I'd parted with the cash based on her appearance and boudoir and, although it was an exceedingly awkward hour, she did eventually provide the most amazing OWO I've ever had and awesome sex and anal despite the fact that, for some obscure reason, she held me in complete contempt! Once I'd cum I couldn't get out fast enough. I would sum her up as a "Monotonous EE Zombie Fembot".
